Dimotrans to open new head office in 2012

Groupe Dimotrans, a French forwarding and logistics company, is building a new head office in Pusignan near Lyon. The building with 51 docking stations will be opened in April 2012 and will cover more than 16,800 sqm of logistics and 3,000 sqm of cross-docking space, as well as 2,300 sqm of offices. The investment in the facility will come to approximately EUR 15 million.
